

FPS EXPO 2011

After the huge success of 2010, FPS EXPO 2011, the oil industry's largest annual event, will be back at the Harrogate International Centre

A wide variety of senior professionals from across the UK, Europe and as far afield as the US will be visiting **FPS EXPO 2011** to check out the latest industry innovations, network with colleagues and learn about the new legislation and other industry issues at our range of workshops.

Follow this link for more information on [FPS EXPO 2011](#).
