

AUTOCOMPLEX 2011 (Autofilling complex. Autoservice. Garage & Parking)

AUTOCOMPLEX (Autofilling Complex. Autoservice. Garage & Parking) is traditionally held every year. The 18th edition of this Moscow International Exhibition will take place from 1st to 3rd November 2011. The organizer is ACS-EXPO, Ltd., supported by the Moscow Government and the Russian Fuel Union and assisted by ZAO Expocentre.

127 companies from 10 countries displayed the most advanced equipment and services.

The Exhibition was attended by over 6,200 experts, investors, owners of oil and gas filling stations, vehicle service stations, garages and parking.
