The Automechanika offers you a unique spectrum of products from the fields of automotive parts, car washing, workshop and filling-station equipment, IT products and services, accessories and tuning.

The Automechanika is one of the most successful trade fair brands of Messe Frankfurt and has a worldwide presence. With a network of 13 international events, they offer exhibitors access to new markets and bring them into contact with new national and regional visitor groups. Added value - with each international Automechanika show the profile of the trade fair brand is increased. As a consequence, even more visitors from these different countries come to Frankfurt.
