

expo PetroTrans 2012

International Trade Fair for logistics, transportation and handling in the petroleum industry

Since the premier event in 2004, expo PetroTrans international trade fair has developed into the most important industry event in international petroleum logistics. The outstanding response to the last, fourth event in 2010 emphasized once again the importance of expo PetroTrans as the leading trade fair in petroleum logistics.

- › More than 3,800 professional visitors from more than 40 nations
- › Including 30 % international visitors
- › 10,000 sq.m. of exhibition space
- › With around 100 exhibitors
- › Accompanied by an innovative supporting programme

As the only trade fair of its type so far, the expo PetroTrans has become established as the lead fair in petroleum logistics and offers all the innovations and information in all aspects of the mobile petroleum industry at 2-year intervals. In 2010 around 100 exhibitors presented an extensive range of new items from the petroleum industry in halls 1 - 4 of the Kassel Exhibition. The expo PetroTrans opens its gates again at the Kassel Exhibition from 27th to 29th September, 2012.
