

erpec 13

A business forum for oil companies and major petroleum retailers, focusing on equipment, services and retail opportunities for sites and shops.

erpec is a unique networking conference for Retail Directors / Managers, Technical Directors, Engineers, Procurement Executives, Construction Managers and Shop Merchandising personnel.

erpec means quality time, uninterrupted discussions, committed meetings, new ideas, new business relationships and a great many shared experiences.

For international suppliers of retail petroleum equipment & forecourt shop services, there is no better way of meeting the people from the industry who really matter.
