

Warsaw Oil & Gas 2012

10th International Conference "Oil & Gas 2012" taking place on 19th and 20th September 2012 in Palace of Culture and Science in Warsaw, Poland.

Conference "Oil and Gas" is a forum for exchanging views and experiences between representatives of governmental and business spheres. Members of the Polish government, the important personalities of political, economic and scientific as well as representatives from key companies in this industry are invited to participate in the Conference. The topics will cover the present state and development of fuel and energy sector in the country and abroad.

Participation in the Exhibition "Oil and Gas" as an exhibitor provides the opportunity to present offers for the oil and gas industry. This fair is the place where the operators meet the fuel industry, with its suppliers and subcontractors.
