

Petroleum Ukraine 2012

The traditional venue for the 4th international professional conference, Kiev Radisson Blu Hotel, will open its doors to guests of the conference on 1-2 November, 2012.

Petroleum Ukraine is without a doubt the main industry specific pow-wow of Ukraine and one of the largest specialized forums of the CIS. After organizing the first conference of this series in fall 2009, the 2010 the forum brought together a record high number of delegates - more than 150 people from 10 countries. Nevertheless, in 2011 the number of guests at the event exceeded 180 people, primarily due to foreign visitors and the expanded the list of issues discussed at the conference.

The traditional venue for the event, Kiev Radisson Blu Hotel, will open its doors to guests of the conference 1-2 November, 2012. The invariable co-organizer of the event is the [Association of Ukraine's Oil Products Market Operators](#) , consolidating the largest players in the fuel market in Ukraine.
