

# Petrol PLAZA

## Petroleum Ukraine 2013

**The traditional venue for the 4th international professional conference, Kiev Radisson Blu Hotel, will open its doors to guests of the conference on 12 - 13 November, 2013.**

International Conference **Petroleum Ukraine** is the largest annual forum, traditional meeting place for establishment of the Ukrainian market of oil and oil products. In 2012, the conference attracted over 190 participants from 114 organizations. Besides Ukrainian companies active participants in Petroleum Ukraine 2012 were delegates from Estonia, Russia, Romania, Hungary, Switzerland, Germany, Bulgaria, Czech Republic, Lithuania, Latvia, UK, Moldova, Poland and Georgia.

Basic participants of "Petroleum Ukraine" - delegates of oil market operating companies, as well as representatives of relevant government institutions. The main differences of Petroleum Ukraine from other industry events is a high level of representation of participating companies, as well as high-quality of organization.

Among the speakers - top managers of Ukrainian and foreign companies, high-ranking officials and experts of the Ukrainian and international organizations and associations, respected members of the scientific and technical community.

The event format involves speaker's performance, discussion panels, thematic round tables and informal communication during a gala dinner at the end of the first day.
