

## Gilbarco Veeder-Root's Automechanika 2012 Online Tradeshow Goes Live

Gilbarco Veeder-Root have just launched their Online Tradeshow for all of those who are not planning to attend Automechanika in Frankfurt this year. Gilbarco Veeder-Root will be bringing the excitement from our stand to you through our Online Tradeshow. During the week of Automechanika, there will be a mixture of video content available for you to watch including; live video streaming from the stand, live product demonstrations, webinars and live updates to keep everyone involved. You can chat to Gilbarco Veeder-Root representatives directly who are online using the chat function or alternatively it allows you to download their v-cards.

The Gilbarco Veeder-Root Automechanika 2012 Online Tradeshow will enable you to schedule meetings with our representatives either at the exhibition or online via chat, register to attend our online events and product demonstrations which will run throughout the entire exhibition, and download calendar reminders to make sure you don't miss a thing.

Once the exhibition starts on 11<sup>th</sup> September, we will be streaming live footage from our stand as well as providing real time updates from our stand. Through this website you'll be able to access information on all our products and service offerings, including all our new launches, catch up on demonstrations you've missed through our video player, live chat with members of Gilbarco Veeder-Root staff and other visitors - it is the next best thing to being there.

The Gilbarco Veeder-Root Automechanika 2012 Online Tradeshow opens up for registrations this week to start setting reminders for events and booking appointments with us. To experience the full functionality of the Online Tradeshow and watch our live events running from 11-14<sup>th</sup> September, you will need to register your details at [automechanika2012.gilbarco.eu](http://automechanika2012.gilbarco.eu).

For everyone who is attending the physical Automechanika 2012 exhibition in Frankfurt, you can visit Gilbarco Veeder-Root at stand A59, Hall 10.0.
