

Video review from APEA Live 2012 in Coventry, UK

A special thanks to Franklin Fueling Systems for sponsoring this video review.

The APEA Awards exist to celebrate excellence and honour those companies and individuals, whose innovations have raised standards within the industry.

In this year's APEA Live video review we are focusing on the nominees and winners of the following 4 award categories:

- Health & Safety Performance Award**
- Innovation Award**
- Quality Award**
- Environmental Protection & Improvement Award**
