

Lukoil appoints new director for region with 318 filling stations

Lukoil has named Andrei Gavrilets as general director of Lukoil-Permnefteprodukt starting December 1, OAO Lukoil said recently in a news release.

“OOO Lukoil Permnefteprodukt is one of Lukoil’s bigger interregional sales operators with seven oil depots and 318 gas-filling stations. The operation area includes the Perm Territory, The Kirov region, the Udmurt Republic and the Sverdlovsk Region,” Lukoil said.

“Before that, he headed Lukoil-Ukraine, an enterprise with foreign investments,” Lukoil added.

There was not any immediate reply by Lukoil for any additional information related to the post.
