

US: Piedmont Natural gas and Spinx stores to partner for South Carolina CNG station

Piedmont Natural Gas, a US-based gas company, and The Spynx Company, a convenience store retailer, have agreed to install a CNG fuel facility in a Spynx store which will target commercial fleets and other vehicles, Piedmont said in a press release issued December 17.

The CNG station will be opened in Anderson, South Carolina, the release said. The new station will be Piedmont's 11th public CNG refuelling station which are located in the Carolinas and in Tennessee, the company said.

"The use of compressed natural gas as a transportation fuel has grown significantly in recent years and has many benefits and advantages," the release said.
