

## **UAE's ministry of energy to officially support Tank Storage Middle East**

**The United Arab Emirates's ministry of Energy is an official supporter of Tank Storage Middle East, which will take place on January 26-27 at the Abu Dhabi National Exhibition Centre.**

The UAE Ministry of Energy joins supporters which already include Emirates National Oil Company, Star Energy Oiltanking, Empire Terminals, Gulf Petrochem Group, Siddco Group, GPS Chemoil, Horizon Terminals, Fujairah Oil Terminal and Gulf Refining Company.

"Its support is a huge endorsement for our event," said Nick Powell, StocExpo & Tank Storage Portfolio Event Director.

Delegates from Shell, Exxon Mobile and Siemens are already confirmed to attend, organizers have said.

Tank Storage Middle East 2015 features a two day conference programme, plus an exhibition hall with 85 suppliers. The free-to-attend exhibition will feature developments in tank design, construction, maintenance, metering and measuring, organizers have said.
