ReFuel APAC & ANZ: a host of new faces head to KL for the region's top networking event

Now in its 20th year, this two-day gathering of the industry's most innovative retailers is back in Kuala Lumpur for the first time since 2010.

April 16th and 17th promises a jam-packed couple of days of content, speed meetings and group discussion opportunities in a luxurious location.

Some of Asia-Pacific's finest retailers are already signed up: Shell, Chevron, ExxonMobil and TotalEnergies will gather alongside Malaysia's leading energy providers Petronas, Petron Malaysia and BH Petrol. New faces include Pacific Energy, 7-Eleven Malaysia, PT Pertamina and Circle K New Zealand.

Gilbarco Veeder-Root steps up as Headline Partner, with PDI Technologies, Silentmode and Transaction Network Services all supporting in Sponsor roles.

The Keynote Address comes from Dieter Billen, Partner at Roland Berger on the implications of transitioning to so-called 'clean' fuels. Chaired by Mark McKenzie, CEO, ACAPMA, the conference will also cover cybersecurity, the role of hydrogen in road transportation and a panel discussion on emerging trends in the Non-Fuel Retail space.

It would not be an OpenRoom event without its signature networking program – with opportunities galore for attendees to catch up over lunches, dinners or drinks at the bar.
