

El Car Wash expands with new acquisitions

Sweetwater Car Wash Dr. Phillips in Orlando and Suncoast Express Car Wash in Ft Myers will join the chain's network of over 75 current and future locations.

El Car Wash has announced the acquisition of two new locations: Sweetwater Car Wash Dr. Phillips in Orlando and Suncoast Express Car Wash in Ft Myers.

This strategic expansion signifies the chain's growing presence in Central Florida with the Sweetwater Dr. Phillips acquisition paving the way for additional sites in 2024. These include Altamonte Springs, Boggy Creek, Davenport, Lake Nona, Merritt Island, and Rockledge.

In Southwest Florida, the addition of Suncoast Express Wash marks the company's third location in the region.

"These latest acquisitions, combined with a robust development pipeline in Central Florida and the West Coast, bolster the company's presence across Central, Southwest and South Florida, offering an unparalleled service and membership value to an expanding customer base," stated co-CEOs

Geoffrey Karas and Justin Landau.

Significant investments are being made to enhance both the Suncoast and Sweetwater sites while current members will be seamlessly integrated into El Car Wash's comprehensive unlimited membership programs. This will grant them access to a network of over 75 current and future locations.
