## Exhibit at the most important gas & LNG industry gathering in SE Europe

Participating as exhibitor at the **GAS MEETING 2024** - the largest SE Europe's Gas and LNG Industry Conference & Trade Show - will provide you with the opportunity to meet with leading international gas and LNG industry players. During previous 38 editions of the **GAS MEETING** we enabled networking of more than 17.000 industry professionals from more than 30 countries, but, even more important, we helped making new partnerships, new businesses and we always had a great time in Opatija!

### Benefits of exhibiting at **GAS MEETING 2024** (8-10 May, 2024, Opatija, Croatia):

- Event mobile application available prior to the event will help you to gain visibility and arrange meetings prior to your arrival to the event
- Your private table with 2 chairs for 1-to-1 meetings labelled with your company name
- Promotion by publishing company name as exhibitor in the event mobile application, GAS MEETING event brochure prior to the event, in the GAS MEETING Proceedings (book and e-Proceedings), in the event brochure distributed at the event
- Promotion by broadcasting company's promotional video clip on the video walls and on the GAS MEETING roll up poster during all three days of the event
- Educational and innovative Sessions by gas and LNG industry experts
- Plenty of networking opportunities during organized networking activities, like evening Cocktail parties and Coffee Breaks in the exhibition area
