

FEF - Forecourt Equipment Federation

The FEF was formed to represent the manufacturers of all aspects of retail fuel delivery equipment.

Objectives:

- To provide a forum for senior management to share and exchange information and promote a spirit of co-operation.
- To represent its members in interacting with other bodies and lobbying on industry issues: covering legislation, standards, quality, innovations, education, technical, safety and environmental issues.
- To maintain a broad monitoring role of developments in the fuel delivery process.
- To provide a technical forum for the industry and to filter appropriate issues to members through its technical committee.
- To provide market and market share data to members
- To handle media/PR issues on behalf of its members. And to be an authoritative voice on issues that affect its members.
