

Scheidt & Bachmann Tubs

Scheidt&Bachmann Tubs LTD is producing and servicing equipment for petrol stations. In partnership with Scheidt&Bachmann GmbH we are producing high quality fuel dispensers. We are active in Croatia, Serbia, Macedonia, Ukraine, Bulgaria, Bosnia and Herzegovina, and expanding to entire Europe and other continents thru our distributors and partners.

The corporation acts independently and in the frame of TUBS Ltd. Scheidt&Bachmann TUBS Ltd. has a wide range of products and services. We are also offering the adjustment of the remaining equipment for petrol stations, storage of oil derivatives and aviation service.

Equipment and services:

- Fuel dispensers in MZ, ZSM, CLOU series, with large number of options, and versions: LPG(TNG), CNG, multimedia, combined dispensers...
- Self service units for petrol stations: units with air compressor, vacuum cleaner, water, waste bins...
- We are also partners with SloanLED, PWM, OPW, Elaflex, Franklin fueling and other big names in petrol industry.

Service center

Service center has highly qualified and schooled service personnel for installation, calibration and repairs of fuel dispensers and other equipment at sites. Service center is equipped with modern technology.
